Important Notes for the PDF-XChange Viewer Build 2.035  
+++++

This is the very first build incorporating \*\*NEW\*\* features that require a paid for License.

All the features you have been used to free - are still available as free functions and do not

require a paid for license to use without restriction - subject always to our License standard

terms and conditions.

-----  
Warning \*\*\* warning \*\*\* warning \*\*\* warning !!!!!  
-----

All features marked as 'PRO' can only be used in evaluation mode from the free version and if

you save the file having used these PRO features - it will be altered to include watermarks

making it obvious it has been modified with an evaluation copy - please ensure that you do not

modify original documents using these evaluation features if they cannot be recreated again - if

it is important to you and cannot be reproduced !

-----  
--  
Do you already own a PDF-XChange Viewer PRO License? - you may and dont know it !!!  
-----  
---

If you own PDF-XChange PRO V4 or PDF-Tools V4 your license and serial number are also valid for

this new PDF-XChange Viewer PRO FREE of charge.

Simply copy your Version 4 serial number from your receipt and paste it into the Viewer option :

Edit -> preferences -> Registration

Your saved PDF files using the special 'PRO' features will then be saved without any trial

watermarks !!!

Currently the new PDF-XChange PRO Viewer offers these additional Features :

Add/Edit Bookmarks.  
Delete Pages.

Features coming soon to the PRO Viewer include:

- Scan Image to PDF
- Insert Image/Signature file to PDF page
- Merge PDF files
- Extract PDF Image content to Raster format
- Extract Formatted text
- Flatten PDF file
